Hi Tim,
I put some images in this page:
[Imagery of Solvay plant \(Web view\)](#)

Just click and Copy the image you like into your document.

I think you'll find its difficult to get the detailed view of the plant and the river at the same time.

If you can't connect, I'll send them another way.

Thanks,
Drew

Drew,

If not too much time/effort, could you get me an image that shows the facility and the Merrimack River. I'm thinking of adding it to title slide.
